Our website is a multi-paged site with private pages for “members only”. This web site contains consistent information about the association and constantly changing information such as legislative updates and registration forms for upcoming events. These reasons bring members and non-members back to our web site over and over to get the forms and information they need for meetings and practice. Our site receives thousands of hits every month.

www.ODHA.net is continually updated. To advertise on ODHA.net website or make changes to existing advertisements, approximately 14 days lead time is necessary. Requests must be submitted, as an electronic attachment, to the Advertising Coordinator Susan Johnston at smileoftensusan@yahoo.com.

** The ODHA Website Chair and the ODHA Executive Board retains the right to not publish media that is determined to be inappropriate as it pertains to the ODHA.*
