

ODHA LEADERSHIP RETREAT

July 22nd in Columbus, Ohio

ONLINE REGISTRATION NOW OPEN

ODHA invites you to share a day of learning and exploring on how nutrition effects our everyday lives, from decision making, to relationships with others. Strong leadership abilities are rooted in how well we take care of our minds and bodies. Achieving optimal nutritional health will propel these qualities to the next level.

The day also includes Council Workshops, Strategic Plan Review, Legislative Update, Networking, and Lunch. The ODHA Board meeting will be held Sunday, July 23rd. We invite you to stay for the entire weekend. Looking forward to seeing you there!
