

Margie A. Pearce Aspiring Professional Award

This award, developed by the Government Relations Committee of the Ohio Dental Hygienists' Association, is posthumously honoring a past member of the Association. It is meant to recognize the contributions of a grassroots member who has promoted the profession of dental hygiene through legislative involvement. To be eligible for nomination, the candidate must have at least five cumulative years of membership in ODHA and be nominated by an ODHA member.

Nominee Name: _____

The Nominee has at least 5 (five) years of cumulative membership verified in ODHA and have demonstrated her/his eligibility for this award by meeting the following criteria:

1. Participated in or initiated the following activities that have improved the image of dental hygiene:
2. Demonstrated eagerness to grow in the professional organization:
3. Shown the value of mentoring:
4. Contributed legislative efforts on the local and or state level:

In view of the above mentioned accomplishments I have determined that the Nominee, _____ is worthy of this recognition.

Nominated by _____ Date _____
