

# Nitrous Oxide Sedation

A 9-hour CE course  
with live sedation participation appropriate for:

- Dentists
- Dental Hygienists
- EFDAs
- CDAs
- BQP Dental Assistants
- Business Staff

**SPONSORED BY THE OHIO DENTAL HYGIENIST'S ASSOCIATION  
& INTERACTIVE DENTAL SEMINARS**

## ➤ Background

- The OSDB recently adopted rules which allow *properly-trained* registered dental hygienists to administer nitrous oxide sedation on dental patients. Furthermore, *properly-trained* dental assistants (of all classifications) may monitor patients receiving nitrous oxide. This course fulfills and exceeds the OSDB the educational requirements for both groups. Additionally, this course is eligible for dentists & hygienists toward their 2016-17 biennial CE requirements.

➤ **Dates:** Saturday, November 12, 2016 (open to dentists, RDHs & all levels of dental assistants)

➤ **Venue:** Bass Lake Taverne & Inn, 426 South Street (State Route 44), Chardon, Ohio  
(26 miles east of Cleveland)

➤ **Time:** Registration: 7:30 – 8:00 AM, Course: 8:00AM – 5:30PM

➤ **Speaker:** Larry J. Sangrik, DDS

## ➤ Format

- The course begins at Bass Lake Taverne & Inn. After lunch, everyone moves across the street to Dr. Sangrik's office to complete the didactic portion and take the written exam. Everyone will observe an actual sedation, proceed through various work stations and take the written exam. Hygienists will also practice actually sedating classmates and take a practical exam.

➤ **Tuition** (includes continental breakfast, luncheon, manual, study guide, lab participation, clinical supplies and exams)

- \$270 ODHA-member hygienists
- \$299 Dentists and non-ODHA-member hygienists
- \$199 Dental Assistants (monitoring credentials only)

## ➤ Additional Information

- Class size is limited to 25 *total* participants (first paid, first enrolled)
- Pregnant women should not participate in the clinical portion
- Basic Life Support for Healthcare Providers is required in addition to this course to administer or monitor nitrous oxide.
