

Your News: On time, every time!

OHIO STATE DENTAL BOARD

Established in 1892

NEW eLicense NEW

This is a renewal year. As of August 22, 2016, the eLicense system was activated. All renewals and applications need to be completed online. The Board no longer accepts paper renewals or paper checks. The RDH license renewal fee is \$144.00, of which \$10.00 goes into the Dental Hygiene Loan Repayment Program.

After you complete the renewal information, do not hit the payment tab multiple times. You will be charged the number of times you push the payment tab! The Board is aware of the problem and are working with IT to address the issue.

There have been some changes to your license renewal this year:

- * You will not be receiving a renewal notice in the mail.*
- *The online renewal will require you to submit proof of CE's.*
- *You will not receive a certificate in the mail, but will need to print the documentation yourself.*
- *There is a fee increase*

**Look for your email from elicensing for further instructions. Search your email for:
