The ODHA Family

Bring a friend, make a friend!

Join us for the 2019 ODHA Leadership Retreat! Network and Learn with Ohio's Hygienists.

This year's theme is "Courageous Leadership". We will have a legislative update on our efforts to advance our profession. Our afternoon will be a fun-filled interactive presentation with guest speaker, Scott Hobart, from Crest Oral B.

The day also includes ODHA Annual Session Orientation, Trustee's (Current and Newly Elected) Orientation, Delegate's Orientation, Council Workshops, Networking, and lunch.

The ODHA Board meeting will be held immediately following the Leadership Retreat. We invite you to stay and attend.
